IRRIGATION SERVICE AGREEMENT

This agreement between Advanced Landscape & Irrigation and _____ (Customer) is valid for the following services listed:

1. Spring Irrigation Start-Up – ****Please call our office for scheduling.**
   - Install customer supplied Backflow Assembly.
   - Turn on and run thru all zones.
   - Check and adjust heads as needed.
   - Program timer.
   - Check Rain Sensor

2. Service Call or System Check-up – ****Please call our office for scheduling.**
   - Run thru irrigation system to verify that it is running and watering at peak performance.
   - Evaluate irrigation coverage to lawn, beds, and shrubs.
   - Check and adjust heads as needed.
   - Check Rain Sensor
   - Program timer if needed.

3. Winterization of System – ****We will notify you about the winterization schedule.**
   - Uninstall Backflow Assembly.
   - Shut down controller.

You are also provided additional benefits and savings with this annual service agreement. Special discounts: 10% off on labor and materials

Service agreement charges are due in advance at the beginning of the contract.

10 zones or less	$241.31	$278.85 with pump
11+ zones	$273.49	$311.03 with pump

I _____ (Customer Signature) agree to pay $_____ for the cost of this annual service agreement. I agree to the above contract services and understand that Advanced Irrigation Repair has the right to change services or fees with prior notification to me. I understand that without prior notification from me, this contract will automatically renew on the initiation date. In the event that I am not home for a scheduled visit, and the technician cannot perform the service, I agree to pay the cost of a return service call.

[ ] I authorize Advanced Irrigation Repair to perform services if I am not home providing they have access to the system.
